Collaborative presents a 2017 webinar series
for parents of young people with disabilities on
BULLYING – SUPPORTS, STRATEGIES & SOLUTIONS

BULLYING: HOW TO IDENTIFY IT AND WHAT TO DO

This training explores how to identify bullying behavior and the educational rights of students who are targeted by or involved in bullying. The training covers how to report bullying, what schools are required to do, and special protections and supports for students with disabilities. Advocacy strategies for families will also be presented.
